LEDGER 1964

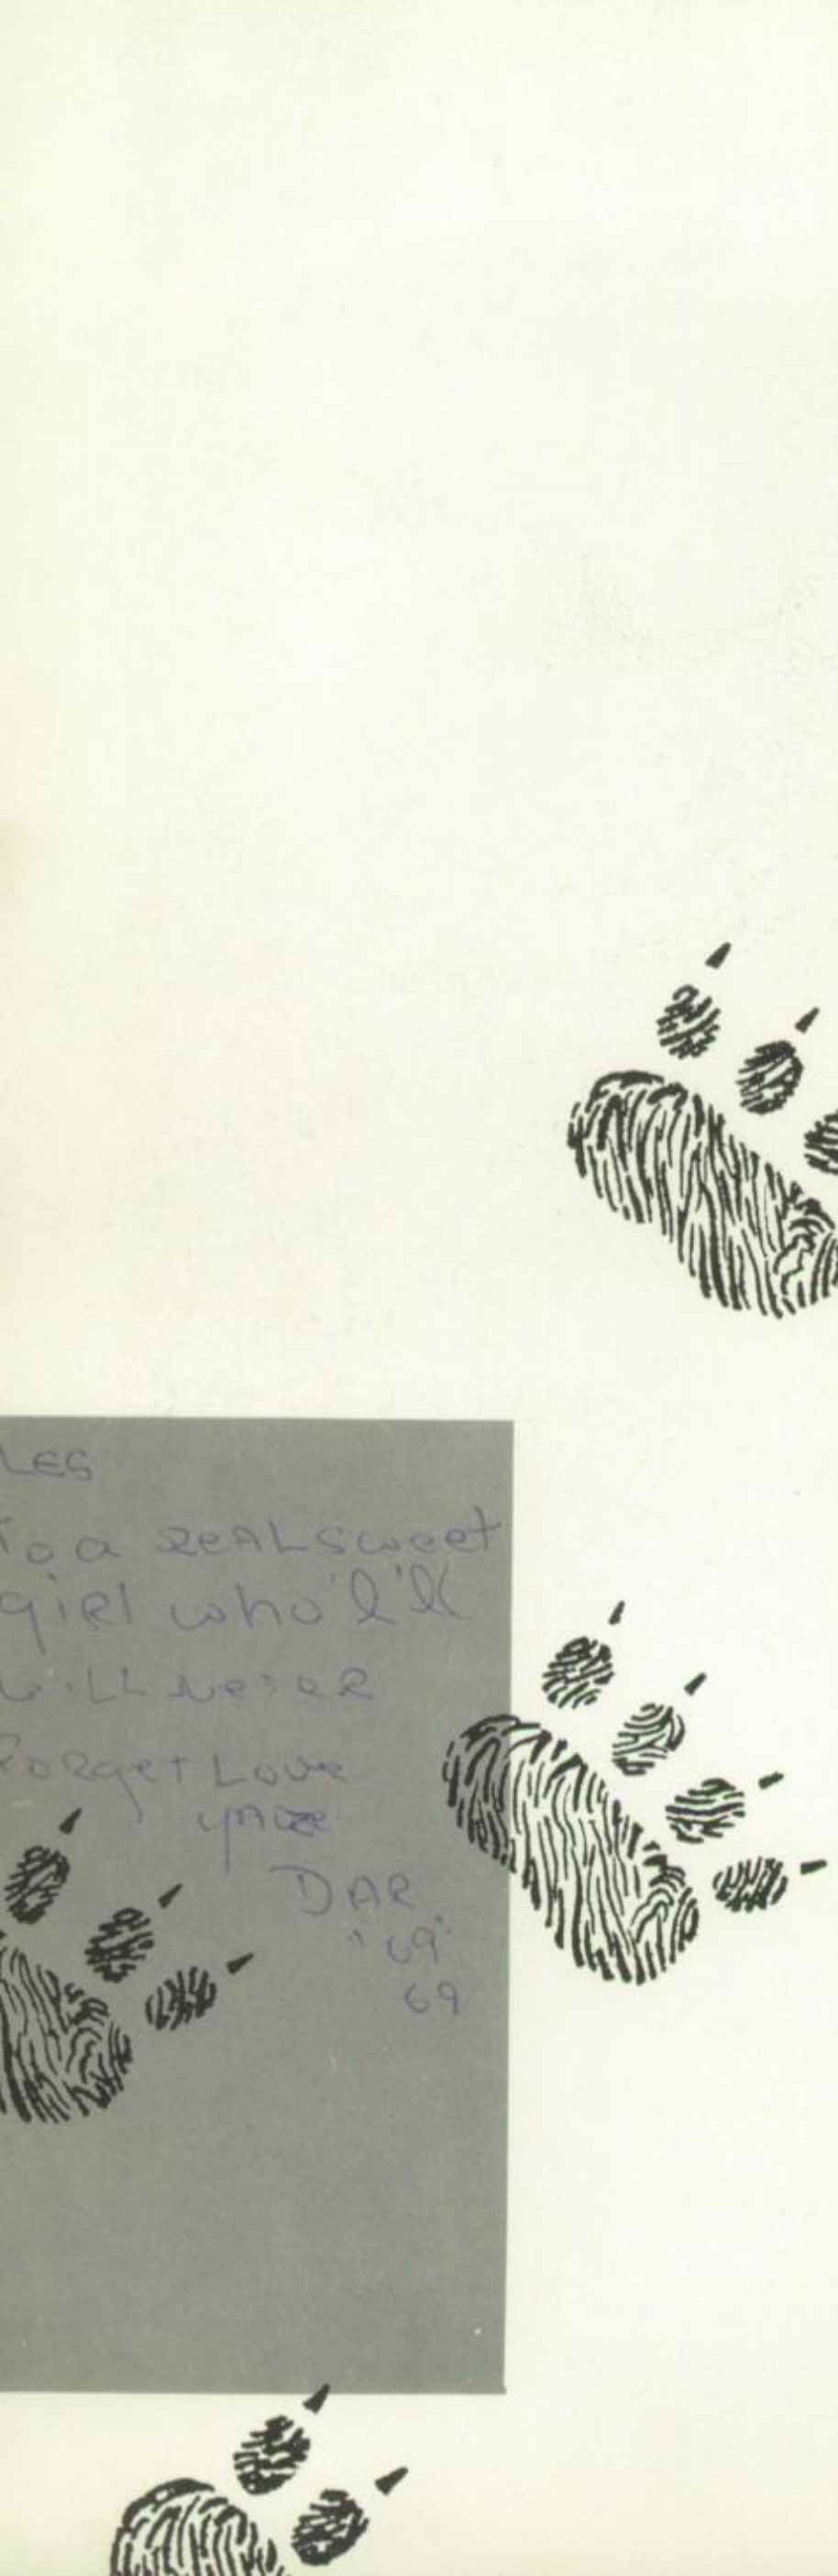
Owen J. Roberts High School, Pottstown, R.D. 1, Pa.
The Class of 1964 presents Volume VI of the Ledger.



FOREWORD

The graduation of the class of 1964 marks a milestone in the history of Owen J. Roberts High School. The fine youngsters that composed the first seventh grade in 1957 have matured into intelligent men and women that will accomplish much in the years to come.

Let us peer into the past and present, for then we shall see how little wildcats grow up.

SENIORS

We came as apprehensive children and now we graduate. We have gained much from our years here: new friends have become old comrades, experiences have become mere memories. We have come to the last chapter of our high school years. Now we have a new book to write upon, but we will use the knowledge achieved here as a foundation . . . to launch from and sometimes to fall upon. It will be there and we shall carry it with us all through life.

Senior Activities

It was a mad, mad, whirl, but what what would we have done without it? Our final year at Roberts held many activities for one and all. We can only say — thanks for the memories.

Gone with the Wind

It looked like an ordinary gym lobby, but beyond the gymnasium door a path led under a rose arbor, around a stately mansion, a fragrant rock garden, and into the 1963 Junior Prom.

The Saxy Sextet set a gay mood, and the excitement of the evening was climaxed with the crowning of the royal couple, Susan Strock and Dennis Connor.

A post-prom party, a movie, a sock hop, and a breakfast concluded the exciting event.

JUNIOR CLASS TRIP

In May of our junior year we went to Gettysburg.

After an early morning ride through the serene Pennsylvania Dutch countryside, we arrived at the museum. We saw the electric map, ate lunch, and were off again for an afternoon of touring the battlefield. Juniors were to be seen everywhere — climbing the watchtower for a glimpse of the Eisenhower farm, trying to get in range of Mr. Darby's unloaded camera, climbing over the rocks in Devil's Den, harassing the chaperones, and viewing the great cyclorama.

Yes, it was a wonderful day, but it came to an end all too quickly.

The Jury Room

The Senior Class play, Jury Room, by C. B. Gilford, was presented on November first and second of 1963.

This "spine-tingling" play was directed by Miss Lawrence. The cast included Thomas Owens, Nancy Roussey, Russell Tyson, Terry Piersol, Susan Moser, Gary Anderson, Kenneth Pennypacker, Loretta Carl, Phyllis Ewing, Nancy Conkle, Patricia Plowfield, and Lana Hanth.

Our Queen

Home-Coming

Rita Eppehimer and her court were greeted by a beautiful Indian summer day and an enthusiastic crowd.

Our 1963 Home-Coming game, the first home game of the year, was on September 28, 1963, with Coatsville. Although we lost this game, the spirit of the team and the rooters was high and this spirit, as the record shows, helped us go on to better games and a winning team.

The girls chosen by the students to attend the queen were: Dorothy Glanski, Linda King, Loretta Carl, Vicki Moyer, Susan Kline, and Pirkko Palosuo.

SPECIAL ACTIVITIES

What are the extra ingredients that transform an ordinary project into something very extraordinary? Ask an art or an advanced science student and they will unvariably answer time, devotion, and a will to accomplish much. SPORTS

The Wildcats and Kittens have given us the victories this year! Our teams have radiated a vigor and determination that never failed to awe. We have enjoyed a great year because our athletes made it that way!

D. Wallace plunges over for the score.

Cats Claw Chesmont

The spark that the team exhibited in beating Pottstown last season burst into flame as the Wildcats came into their own this year. Despite a rash of injuries, the '63 Wildcats fashioned a 7-4 record and tied for second place honors in the Chestmont League. A total of ten points was the difference between an unblemished record and the championship. Head Coach Henry Bernat and his assistants, Robert Mosteller, Albert Alutius, and Joseph Edwards came up with a team that led the Chestmont League in scoring with 188 points.

Eight of our boys were selected for the all-Chestmont team. There were: Tom Creswell, guard, Nick Yurick and Bill Kolessar, tackles, Bill Scherfel, quarterback, Bill Davis and Ron Moyer, ends, and Dave Wallace and Duffy Brauner, backs.

Despite the loss of nine starting players, via graduation, hopes are high for another winning team next year!

Kittens Have Winning Season

HOCKEY

At the beginning of each new school year the female sports enthusiasts focus their attention on hockey. The Kittens, under the fine coaching of Mrs. Sabbi with her assistant Miss Green, ended their season becomingly — 5 wins, 2 losses, and 1 tie.

The two skilled co-captains Gladys Richards and Carol Rinewalt kept the team's spirit high and consequently the opposing team on their toes.

Graduation will take six players from the Kittens: Lana Hanth, Nina Hartung, MaryAnn Zelenak, Barbara Brownback, Gladys Richards, and Carol Rinewalt. However with seven varsity players returning and many promising junior varsity players moving up — look out for next year!

Cats Cap Best Season

The Roberts' basketballers rode on a veritable wave of success this past season. A new Roberts record for games won was set by these mighty players. The Cats showed fine outside shooting with Tom Owens and Terry Piersol finishing in the top twenty area scorers. Each collected over two hundred points. Doug Marsland lent a helping hand in the scoring while Bill Davis and Bill Scherfel drummed up the hum of activity under the boards. The only handicap for our boys was a lack of height. Nothing could make them grow any more.

John Hartman, a sophomore, showed good potential in the home stretch on the varsity, and with the well-experienced boys who played on the junior varsity this year, along with the superb coaching of Richard Heylmun, the Cats figure to be a real threat in the coming season.

As hockey sticks are put away for another year and the weather becomes colder, you can hear the noise of bouncing balls coming from the gym. This is the hard working girls' basketball team. Under the direction of their coach Mrs. Reitnour, they are preparing for another good season. This year was no exception. Although the Bearettes handed them a defeat, the Kittens came through victorious in the rest of their games. Skilled dribbling and good passing placed our Kittens up there in the top of the Chestmont League. Commencement will take away valuable seniors from the team. They are: Diane Missimer, Jill Painter, Claudia Ellis, Carol Rinewalt, Gayle Spohn, Joanne Clarke, and Manager Pat Plowfield.

The JV team also had a fine season, bolstering our hopes for a championship team next year.

Cats Rule Ches-mont

The wrestling team claimed the league championship and won the league tournament for the second year in a row. This year's successes give the group a record of twenty wins and no losses for the last two years.

We crowned six Chestmont league champions at the tournament and three sectional winners at Upper Moreland. The three boys, Charles Lawrence, Ed Bankes, and Bill Christman, went on to the district competition. This trio now ranks in the top forty-four wrestlers in Pennsylvania.

Next year seven varsity grapplers will be returning. Combine their experience with the expert coaching of Mr. Fred Foller, and we will be able to claim the crown for three successive years!

In springtime a young man's fancy may turn to thoughts of love, but during the 1963 Softball season the girls thought only of the job at hand. Under the capable coaching of Mrs. Marguerite Kline the Kittens had a very successful season. Cries of joy after the final game could mean only one thing — they had gone through the entire season undefeated. The Kittens allowed only thirty-seven runs to be scored against them and scored sixty-four themselves. With six letter winners and some very promising underclassmen returning next season, Roberts can look forward to some real action under the leadership of the captains, Carol Rinewalt and Glodys Richards.

Cats Eye League Crown

The Wildcat baseball team, coached by Marlin Strohecker, finished in second place in the Chesmont League standings with a 6-2 log and had an overall slate of nine wins and two losses. They were mastered 4-2 by Boyertown in the contest between the two teams for possession of first place.

A combination of good pitching and a mighty offense carried the Cats through the season. Bill Scherfel bore the brunt of both hurling the tough games for the Wildcats, and leading the team in almost every batting department. Five Cats hit over .300 for the season with Scherfel leading the group with a six homerun average of .452. Rusty Tyson and Wayne Wisler closed with .400 averages while Ron McCalicher and Dave Berkey topped .300. The team's final average was a hefty .313.

All but one starter are back from last year's second place team, and hopes are high that this year they will beat Boyertown and carry the league championship to home.

GOLF

Last year one of the new sports introduced into our ever expanding athletic curriculum was golf. Our team, coached by the very able Mr. Kunkle, showed excellent potential in their very first year of Ches-Mont League competition. Five lettermen are returning for the coming season with the bright outlook for the golfing future. With a little more experience and practice our boys in the near future will be the top contenders for the League title.

TENNIS

Our tennis team has high hopes of victory as it begins its first year of league competition in the '64 season. If last year's record is any indication of their ability, we see no reason why they won't carry the league crown. Under the superb coaching of Mr. Hallowell, our racketeers have trounced Boyertown twice and nearly defeated Coatesville, the Ches-Mont '63 Tennis Champions. With five lettermen returning, this certainly figures to be a grand year for this agile team.

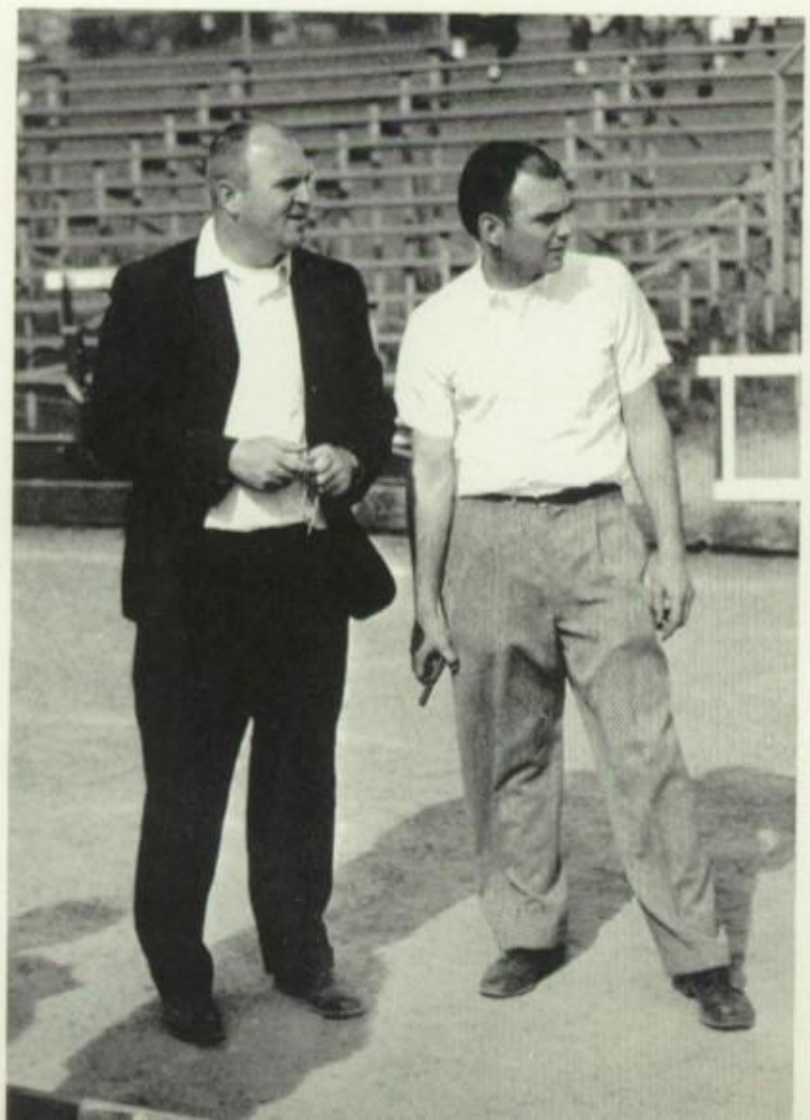
Best Track Team Yet

l. to r. Coaches Albert Alutius, Robert Mosteller, Edwin Bigler.



The track team improved steadily last year under the guidance of Head Coach, Robert Mosteller and his assistant, Edwin Bigler, and finished with a record of five wins and six losses. The Cat's five victories came at the expense of Pottsgrove, Spring-Ford, Boyertown, and Phoenixville, whom the Cats mastered twice. A sixth place in the Chestmont Championship Meet, at the end of the season, completed the most successful year in the short history of track as an interscholastic sport here at Owen J.

Nine new school records were set during the 1963 season. Dennis Kelly broke the school quarter and half mile marks with times of 53.6 seconds and 2.00.2 minutes. Gary Anderson pole vaulted 11'9" and Nick Yurick threw the shot 44'9" to erase two others. The discus was heaved 118'9" by Frank Holden to establish another new record. New standards were also placed in the record books for the javelin, 100 yard dash, high jump, and mile run.

Mr. Mosteller looks forward to an undefeated '64. Best of luck boys! We know you will live up to the coach's expectations.

The underclassmen at Owen J. Roberts are very important individuals, for they will help shape future years. Sounds of Music

Drum Majorette
A. Painter

Pirkko Paulosuo is our exchange student from Jarvenpaa, Finland. Her wit and intelligence has made themselves felt throughout the Senior High School.

Like most visitors from foreign lands, she expressed her surprise at the friendliness of the American people rather than the physical differences between our countries. She also admitted, that Europeans think all Americans are "filthy rich." Finns also have little respect for our educational system, which they seem to think is more like a recreational system. Pipu says she now knows otherwise.

Pipu is interested in music and loves skiing. Her home is within sight of the house of Finland's famous composer, the late Jan Sibelius.

At this year's end, Pipu will return to her homeland, with we hope, as much new knowledge and understanding as we have gained from her.

Mr. Samuel E. Darby

Since joining the Owen J. Roberts faculty in 1959, Mr. Darby has been one of our most liked and respected teachers; by the student body in general and his chemistry classes in particular. Anyone who has ever studied under Mr. Darby can easily understand why the Class of 1964 wishes to recognize his contributions to our academic development.

He has served this school and its students not only as a conscientious teacher, but as a progressive

Dedication

educator, who has helped raise our science department to its present position as one of the best in the area. He was instrumental in instituting an advanced class at the freshman college level to supplement the standard one year course in chemistry.

Therefore we are proud to bestow this small token of our gratitude upon Mr. Darby, and hereby dedicate the LEDGER of 1964 to him.

Recognition

Mr. Carryl E. Stauffer

Mr. Carryl E. Stauffer, after thirty-one years of fruitful and dedicated work in the field of education, is retiring. The thousands of pupils he has taught and guided over these years stand as a monument to his life's achievements, which will influence many generations to come.

Mr. Stauffer taught history and science for seventeen and a half years and served for four years in World War II as a major prior to coming to our district in 1951. At that time he held the position of supervising principal at Warwick High School. For the past eight years he has been the High School Principal at Owen J. Roberts.

In acknowledgement of his long service to past and present students of Northern Chester County, we wish to dedicate, with profoundest admiration and respect, this page of recognition to Mr. Stauffer.
